

## **CLASS SPECIFICATION**

### **SAN DIEGO CITY CIVIL SERVICE COMMISSION**

#### **LAKE AIDE II**

##### **DEFINITION:**

Under general supervision, to respond to incidents at the lakes involving accidents or injuries; to perform semiskilled maintenance work at City lakes; to operate small riding lawn mowers and other ground maintenance equipment of routine operational difficulty; and to perform related work.

##### **\* EXAMPLES OF DUTIES:**

- Responds to incidents at lakes involving accidents and injuries to the public;
- Administers first aid until paramedics arrive at the scene;
- Operates power edgers, weed cutters, hand-held drills and other similar mechanical construction/maintenance/gardening tools;
- Operates ride-on lawn mowers and similar grounds maintenance equipment;
- Performs minor repairs and adjustments on irrigation sprinklers;
- Assists with the more complex semi-skilled maintenance and repair work on boats, docks pipelines and other lake equipment and facilities;
- Operates a boat to patrol lakes and/or reservoirs, in the absence of the Reservoir Keeper and Assistant Reservoir Keeper;
- May lead the work of lower level or less experienced lake employees;
- Checks boating, fishing, and hunting permits;
- Provides information about City lakes to the public;
- Maintains simple records;
- Enforces rules and regulations at City lakes.

##### **MINIMUM QUALIFICATIONS:**

Please note: the minimum qualifications stated below are a guide for determining the education, training, experience, special skills, and/or license which may be required for employment in the class. These are re-evaluated each time the position is opened for recruitment. Please refer to the most recent Job Announcement for updated minimum qualifications.

Six months of experience as a Lake Aide/Lake Aide I with the City of San Diego; **OR** one year experience in general maintenance work at a lake, reservoir or public park, and experience in the operation, maintenance or repair of lake equipment. Must have the ability to float, tread water and get to shore safely.

- \* **EXAMPLES OF DUTIES** performed by employees in this class. The list may not include all required duties, nor are all listed tasks necessarily performed by everyone in this class.
